TIPS FROM COUGARCOPIES

1. The best mediums for crisp, clean originals are clean, black type on white opaque paper. Colored paper, pencil, and blue ink may not reproduce clearly. Please allow at least 1/4" margins on all originals because printers/copiers do not copy from edge to edge. We can print/copy onto three sizes of paper: 8.5" x 11", 8.5" x 14", and 11" x 17" in a variety of weights and colors.
2. For the best print quality, especially gray tones and photographs, bring in your jump drive, CD, or other digital storage device with USB connection to print your files electronically. We prefer files saved in PDF format to resolve font substitution issues. We can accept other file formats. Please contact our CUB location (335-1647) for further assistance.
3. Jobs can be submitted from your work station by accessing our online order form. Simply go to publishing.wsu.edu/cougarcopies and select "Order Copies Online." Fill in the appropriate information in the form provided, attach the file, and then submit. A proof will be delivered to you for approval prior to running the entire job.
4. Need a booklet made? Send us your originals in the same size as your finished booklet size and our equipment will set them up automatically in booklet form, print/copy, collate, staple, fold, and trim. Available in finished sizes of 5.5" x 8.5" (8.5" x 11" folded), 7" x 8.5" (8.5" x 14" folded) and 8.5" x 11" (11" x 17" folded) Just call 335-3559 for instructions.
